Did you know?

The work of the **Serra Club of Siouxland** is to foster and promote vocations to the priesthood and religious life? The patron of this international organization is St. Junipero Serra, who founded many missions on the coast of California in the 18th Century. Our local Serra Club initiated Eucharistic Adoration in our local parishes about 15 years ago, primarily to pray for vocations...past, present and future. It's for you, it's for everyone! It's for vocations, it's for **EVERYthing!** It's time well spent! Check our bulletin for the day and times for your parish.

Food, Family and Fellowship – A New Program

We are starting a new program in the parish. It is called *Food, Family and Fellowship*. We will be publishing a recipe every week in the bulletin. Each family is to find time to not only cook the recipe, but more importantly eat a sit-down meal together with the TV and cell phones off. Of course, grace must be said before the meal. This is to be a time for families to be together and talk and therefore grow closer. If you are already having such a meal, then add another. If you don't like the recipe, then make another meal. This week's recipe follows.

Recipe of the Week for Food, Family and Fellowship

SLOW COOKER MAC & CHEESE

Ingredients:

- 1lb(16oz) elbow macaroni
- 2 cups whole milk
- 1 (12oz) can evaporated milk
- ½ tsp salt or more to taste
- 2 Tbsp butter
- 3 cups shredded sharp cheddar cheese

Instructions:

1. Add evaporated milk, milk, macaroni, salt, butter and cheese into a large slow cooker. Mix well.
2. Cook on the lowest setting for about 1 ½-2 hours.
3. Cook until the pasta is al dente. Stir after 30 minutes and check the macaroni after 1 ¼ hours.

Expert Tip: Slow cookers vary so the time it takes for your crockpot to cook the macaroni might be different. The first time we made this, we were using an older crockpot that only had a knob to turn to either high or low. Even on low, the crockpot got way too hot and the milk curdled and the macaroni became mushy. When we switched to a new crockpot with multiple settings and cooked it on the lowest, stirring after 30 minutes and checking on it periodically, we avoided both pitfalls and ended up with creamy, cheesy macaroni!

The Best Way To Pray

A priest, a minister and a guru sat discussing the best positions for prayer, while a telephone repairman worked nearby. "Kneeling is definitely the best way to pray," the priest said. "No," said the minister. "I get the best results standing with my hands outstretched to Heaven." "You're both wrong," the guru said. "The most effective prayer position is lying down on the floor." The repairman could contain himself no longer. "Hey, fellas," he interrupted. "The best prayin' I ever did was when I was hangin' upside down from a telephone pole."
