Committee Membership Openings

We continue to seek new members for the Finance Committee and for the Pastoral Council. Both of these Committees provide a vital role in the life of our parish. Each committee meets on an average of 9 times a year for about an hour. The meetings are held on Tuesday evenings, the pastoral council on the third Tuesday at 7:00 pm and the Finance Committee on the fourth Tuesday at 7:00 pm.

The Pastoral Council will be looking for five new members. The council works in the area of our parish life, dealing with things like our parish picnic, creating our current Facebook Page, helping with the Peace and Justice projects, helping in the area of providing spiritual activities and helping create a welcoming parish environment, to name just a few of the activities. They are the dreamers and provide new ideas to keep our parish vibrant and alive.

The Finance Committee is responsible for monitoring our financial needs and they keep an eye on the budget. They also look down the line for future expenses and develop plans to meet those expenses. There will be four positions open for that committee

Please call me or Terry McElroy if you are interested. We are always looking for new ideas and input from others so please consider saying "Yes" to either of these opportunities. A benefit of serving on either of these groups is a chance to get to know your Parish a little better.

Thank You to our Grounds Keepers

I want to thank all of the individuals and families who have volunteered to take care of certain areas of our parish grounds. Our parish covers a lot of area and with the help of these volunteers we are able to keep them looking nice. I also want to thank the men who are donating their time to mow the lawn. I know this is a commitment and the parish appreciates you sharing your time in this manner. May you be blessed with a safe summer.
